ALAT LOUNGE SOFA

A sofa of titanic proportions.

Monumental and Monolithic. "Alat" which means "winged" in Catalan, takes basic geometric cues from brutalism, giving it a heavy appearance and a feeling of robustness that contrasts with the visual lightness of the lateral wings.

Alat fuses the sofa with the archetypal lounge, making it useful as both while defining itself as something totally reimagined.

DESIGN:
ANDREU CARULLA

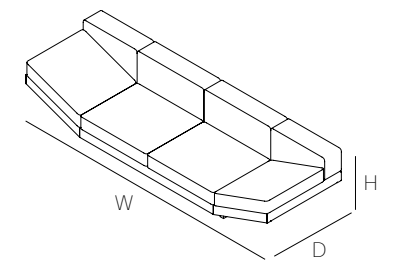

ALAT WOOD

It is a variant in the ALAT collection presented in a single dimension, 350cm long. The main structure is made of natural fir wood, without any treatment or protection.

The construction accessories are made of stainless steel and aluminum.

The cushions of the Alat collection are formed with comfort foams of different densities, covered with a protective waterproof inner cover, and the outer shell construction with Silvertex vinyl fabric in white (Ice) or black (Carbon), in Acrylic Sunbrella Savane Zinc color and in Agora Bruma
