OUTDOOR LAMP

Three natural timber legs suspend a white frosted globe in mid air, permitting illumination in every direction. Designed to provide outdoor warmth and light during short summer nights and indoor comfort during the long winters, Xica i Xanca is a versatile collection that brings a space to life without distraction or excess.

## OUTDOOR LIGHTING

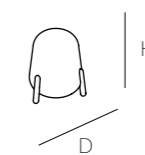

These 2 lamps join the LLUM family to expand the collection. The special feature is that they incorporate an IP65 luminaire, battery powered charge by induction without the need for external cables and a 290 lumen bulb.

The one-piece rotomold polyethylene housing in natural color, allows the diffusion of light in a regular and proportionate intensity. The structure consists of 3 legs of Iroko wood and come in 2 measures.
