LOU LOUNGE COLLECTION

Relaxed soft-furniture collection

Lou is the result of the first collaboration between the studio of Inma Bermúdez and Calma. The collection comprises three pieces: a pouf, a lounge chair and a sofa. We like to call them “soft” furniture. The seat cushion is made from various layers of viscoelastic, making it remarkably comfortable. When removed during the winter months, Lou still retains a sculptural appearance due to its delicately light wire frame.

LOU

This is a complete collection for relax , composed of armchair, 2 seater sofa, pouf, coffee table, gardener and brazier.

The structure is made of solid steel rod, with previous protection of zinc and powder coated painted.

The seat cushions are formed by a combination of comfort foams, with an inner waterproof cover of technical fabric and heat-sealed seams, and an outer sheath confection with Sunbrella LOPI acrylic fabric, in different colors.

The collection is accompanied by additional decoration cushions.
